INFABIO
AI AVENGERS

JAIPUR · WOMEN-POWERED STUDIO

Built by women. Engineered for growth.

Marketing and technology under one roof. Built to turn budgets into pipeline.

Most agencies sell you reach.

Here is what that usually looks like.

- ~~Chasing impressions and vanity metrics~~
- ~~Spending more just to grow more~~
- ~~Marketing and tech stuck in separate silos~~
- ~~Prettier reports. Not more revenue.~~

INFABIO
AI AVENGERS

We build you revenue.

And the software behind it.

- Accountable to ROI, CAC and pipeline
- Cut ad waste first. Then scale spend.
- Funnel and software built by one team
- Revenue you can actually forecast

Measured on revenue. Not impressions.

500+

Brands scaled across India

₹240Cr+

Ad budget optimised

40%

Ad waste removed through smarter bidding and targeting

94%
